Honorable Andrew Cheng Kar Foo,

I am writing to express my total support to the letter entitled "Overloading Hong Kong's road network 香港道路的超載" signed by Paul Zimmerman of Designing Hong Kong dated 9th February 2012 regarding the "Ad hoc quota trial scheme for cross-boundary private cars". His letter expressed all my concerns regarding this scheme. Let me state that I am against this scheme and hope that you will listen to our opinion.

Best regards,  
Ka Yee CHIU
