Dear Cheung CK,

I refer to your email to the Legislative Council Secretariat on 27.12.2011.

Schedule 7 to the Road Traffic (Registration and Licensing of Vehicles) Regulations (Cap. 374E) specifies in detail the permitted areas in which N.T. taxis can operate. You may refer to the following link to learn such details:

http://www.legislation.gov.hk/blis_ind.nsf/CurAllEngDoc/7DB4A118AF324D5148257039000CDC74?OpenDocument

While there are difficulties to summarise such detailed information onto a handy map, there is a map in the following link showing the permitted operating areas of NT taxis:

http://www.td.gov.hk/filemanager/en/content_449/2007_e.pdf

Also, there are sufficient traffic signs as shown below erected on roads to advise motorists the end of the permitted area for N.T. taxis to operate.

Please contact me at 2829 5808 if you have further enquiries on the matter.

Best regards,
Eric Tam
Transport Department
