Proposal of the implement of the West Kowloon Cultural District plan by
Southern Democratic Alliance

Date: 16 May 2012

To: Mr. IP Kwok-him,
Chairman of The Joint Subcommittee of Monitoring the implement of the
West Kowloon Cultural District plan

Dear Sir,

Southern Democratic Alliance Hong Kong devotes to help ethnic
minorities in the city in different aspects.

The West Kowloon Cultural District is located in Yau Tsim Mong, which
has a large population of ethnic minorities living in there.

We ask the West Kowloon Cultural District to develop the ethnic
minorities cultural center. It is because:

It is good for ethnic minorities to promote their own cultures to local
Chinese people and visitors from all around the world.

It will provide job opportunities for them to solve their financial difficulties.

Please consider our proposal. Please call me at: [REDACTED] for further
information.

Yours truly,

Limbu Saran Kumar
Chairman
Southern Democratic Alliance Hong Kong
