(position as at 8 February 2012)

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
1. Provision of infirmary care for elders in a non-hospital setting	13 December 2004	The Administration undertook to provide more details of the tender exercise before the next meeting, including the criteria used in selecting operators to run the trial scheme, justification(s) for inviting private home operators to participate in the exercise, and the reason(s) for setting the unit subsidy for each subsidized infirmary bed in a non-hospital setting at around \$11,000.	The Administration is exploring various options, including upgrading some of the places in subvented residential care homes for the elderly to provide infirmary care. The Administration will report progress in due course.
2. Progress report on the standardized assessment mechanism for residential services for people with disabilities	21 March 2006	The Administration was requested to include representative from the Hong Kong Council of Social Service ("HKCSS") in the Review Working Group on Standardized Assessment Mechanism for Residential Services for People with Disabilities and to increase the number of representatives from parents' groups in the Review Working Group.	The Administration will include representative from HKCSS and invite more representatives from parents' groups to the future Review Working Group meetings.
