

## Premises that require Heritage Impact Assessment (HIA)

Amongst the government premises involved in the BFA Retro-fitting Exercise, 30 nos. of Class A venues are declared monuments or graded buildings. According to Antiquities and Monuments Office's (AMO) advices, upgrading of barrier free access and facilities at declared monuments and graded buildings requires Heritage Impact Assessment (HIA). The feasibility study reports for the subject historic building were completed for proceeding to HIA. The details of HIAs for the historic buildings are being liaised with AMO. The additional time required for obtaining approval from AMO for site commencement is around 7.5 months.

### 需要提供文物影響評估報告的處所

政府在無障礙通道和設施改善計劃的 A 類場地中，涉及三十座政府處所和設施是法定古蹟或已被評級的建築物。根據古物古蹟辦事處的意見，在法定古蹟及已被評級建築物進行無障礙通道和設施的工程，需要提供文物影響評估報告。有關的歷史建築的無障礙通道和設施的工程可行性研究報告已完成。建築署正在聯絡古物古蹟辦事處商討歷史建築文物影響評估報告的細節。無障礙通道和設施的工程需要待古物古蹟辦事處批准後展開，所需的額外的時間大約是 7.5 個月。
