Dear Ms. Tai,

Thank you for your letter dated 16 February 2012. LWK & Partners would like to emphasise that it will endeavour to assist the Government and has no objection to the release of confidential information such as the registration form and the updated list of project team members to the public.

However, it is unclear from Dr. Kenneth Yeang's email dated 15 February 2012 whether T.R. Hamzah & Yeang Sdn Bhd has given its consent to the release of confidential information which concerns its firm. Consequently, LWK & Partners is not certain whether it can consent to the release of confidential information which also concerns T.R. Hamzah & Yeang Sdn Bhd.

We respectfully ask for clarification from the Government whether LWK & Partners can consent to the release of confidential information which may also concern T.R. Hamzah & Yeang Sdn Bhd. Subject to this one request for clarification, LWK & Partners has absolutely no objection to the release of confidential information.

Yours Sincerely

Ronald Liang
