Dear Eric,

West Kowloon Reclamation Concept Plan Competition

Many thanks for your letter of 15th May and for sending me your draft report. It is fine and I would be happy if you were to circulate the draft to other members of the Jury for their comments. I look forward therefore to hearing from you again in due course.

It was good to hear that no further action was needed on the conflict of interest declaration point.

With best wishes,

Yours sincerely,

David Rothschild
