Our Ref. :

Dear Mr. LEUNG,

West Kowloon Reclamation Concept Plan Competition

In connection with our invitation to you to serve as a member of the panel of jurors for the above Competition, I should be grateful if you would send us a copy of your CV (both English and Chinese) as well as a colour photo for publicity purpose. Please note that the attached CV which we find from the webpage is of suitable length.

In addition, we plan to produce a pamphlet in colour publicizing the panel of jurors for distribution together with the Competition Folder. Because of the limited size of the pamphlet, it may be preferable for the CV to be presented in a few points. Accordingly, we have attempted a draft which is enclosed herewith for your consideration. Please feel free to make amendments and return to me at your earliest convenience.

With best regards,

Yours sincerely,

(YUEN Lup-fun)
