Dear Mr. Leung,

West Kowloon Reclamation Concept Plan Competition
Jury Meetings

I am writing to follow up on our correspondence of last fall on the Jury meetings for the West Kowloon Reclamation Concept Plan Competition.

At the close of the submission period for the competition, we have received 161 submissions. Of these, 71 were from Hong Kong and 90 were from a total of 30 countries. Since last October the Competition Task Force has been preparing the Technical Panel for the technical assessment of the submissions. The Panel had a preliminary meeting on 9 October, followed by assessment meetings from 11 to 17 December in which Mr Bill Lacy, Professional Advisor to the competition, also took part. The assessment process has now been completed, and the Technical Panel Report is being finalized. This report would be submitted for your perusal together with the 161 submissions before the end of this month.

The Jury meetings of the competition is scheduled to take place at the Exhibition Hall of the Hong Kong City Hall from 25 to 28 February 2002. Could you please kindly treat the dates of 25 to 28 February 2002, which I have earlier on reserved in your diary, as confirmed? We should be in touch with you closer to the date for meeting details.

Wishing you a prosperous New Year,

Yours sincerely,
