**Re: Draft Jury Report
West Kowloon Reclamation Concept Plan Competition**

Dear H.K.:

Thank you for your kind note and it was indeed an honour and a pleasure to participate as a member of the Jury very capably led by Lord Rothschild. Also in terms of the eventual outcome, I believe the whole exercise was worthwhile.

I have studied the draft Jury report as requested and I think it very well records the process that the Jury went through. My only suggestion would be that in the introduction you perhaps bring out the strategic importance of the location of the site and hence the decision to embark on an international competition.

Yours sincerely
