Dear Mr Leung,

West Kowloon Reclamation Concept Plan Competition

Further to our letter of 30 May 2002 inviting your comments on the draft Report of the Jury, I understand that you enquired as to the comments received from other members of the Jury.

To date, Mrs Chow, Mr Droege, Mr Rogers and Professor Rowe have sent brief replies to the effect that they find the draft in order.

Mr Brooke's reply states as follows – "*I have studied the draft Jury report as requested and I think it very well records the process that the Jury went through. My only suggestion would be that in the introduction you perhaps bring out the strategic importance of the location of the site and hence the decision to embark on an international competition.*". I will take on board Mr Brooke's suggestion.

Professors Chang, Lau and Wu have yet to reply.

I look forward to receiving your reply too.

Yours sincerely,
