The Lord Rothschild, GBE

Dear Lord Rothschild,

**West Kowloon Reclamation Concept Plan Competition
Report of the Jury**

Thank you for your letter of 27 May 2002, authorising circulation of the draft Report of the Jury to other jurors for their comments.

The draft was circulated to members on 30 May. I am afraid that it took until last week for the final reply to come in, despite reminders. Eight members sent brief replies to the effect that they found the draft in order. The ninth, Mr Brooke, suggested as follows – *“My only suggestion would be that in the introduction you perhaps bring out the strategic importance of the location of the site and hence the decision to embark on an international competition.”*

I have recast paragraphs 1 and 2 of the draft in accordance with Mr Brooke’s suggestion. I have also amended paragraphs 16(a), 17(a) and 18(b) for greater accuracy, and added the two annexes.

I have e-mailed the amended version of the draft report to [redacted] for your consideration please. Subject to any further amendments that you may require, I should be grateful for your approval to publish the report.

With best wishes,

Yours sincerely,
