Note 1: Mr C Y Leung was absent with apologies for round 1. It was agreed that 7 of his list of 18 selections made during the viewing session on 25.2.02 that were also voted for by other jurors should be added to the tally (indicated by "+1"). Of the 7, 6 received enough votes to be considered further. Mrs Selina Chow, at her request, was permitted to select 6 entries. Hence there are  $(8 \times 5) + 7 + 6 = 53$  votes in total.

Note 2: Entry 043 was disqualified in Jury discussion in the morning of 28.2.02.
