Dear Sir,

Re: Select Committee to Study Mr Leung Chun Ying's Involvement as a Member of the Jury in the West Kowloon Reclamation Concept Plan Competition and Related Issues

I refer to your letter of 5 April 2012 to me in relation to the above matter.

As required in the Appendix of your letter, I write to reply you as follow:

- (a) Other than those papers/records/documents that were produced by Mr CHIU Kam-kuen to the Select Committee at its hearing on 31 March 2012, I have no more papers/books/records/documents which are related to the West Kowloon Reclamation Concept Plan Competition ("the Competition") in 2001-2002 and in the possession or under the control of DTZ to produce to the Select Committee; and
- (b) I am not aware of any record(s) indicating DTZ's receipt of letters by fax/post/email/hand from 3 to 17 September 2001 and in particular a copy of the letter dated 11 September 2001 from Mr Kenneth POON of David Langdon & Seah Hong Kong Limited to Mr Ronald LIANG of LWK & Partners (HK) Ltd concerning the Competition, which was copied to Mr Ken YEANG of T.R. Hamzah and Yeang Sdn. Bhd. and Mr CHIU Kam-kuen to produce to the Select Committee.

Yours faithfully,

Chiu Kam Kuen
