Dear Ron / Luke

- We are pleased to refer to our teleconversation with Mr Luke Mah today and enclose our Contents Sheet for the report, with an indication of the sections where we require the input of LWK and the Traffic Consultant.
Also attached is our revised area schedule and some diagrams to assist in your preparation of the texts.
Please can you revert with the texts by Monday, 24 September 2001 at the latest for our incorporation into the submission. Please note that the texts should be condensed as we have limited pages.
- We also confirm that the perspectives will now be done by ourselves in Kuala Lumpur which we will likely engage a perspective artist to prepare.
- As per your advice, we will print the drawings in Kuala Lumpur as this cannot be done in Hong Kong within half a day.

Thank you.
Yours faithfully
(KEN YEANG)
