Subject Fw: P&P inquiry into C.Y.Leung's conflict of interest,MY QUERY on equal treatment.

Further information on unequal treatment of CE contenders by HKSARG.

Henry Tang and C.Y.are CE contenders but Legco inquire C.Y and not Henry by P&P,
a 10 years story but must be convened before 25-3-2012,why ?
The panel consists of 6 legislators who nominated his two other opponents,never neutral.
If Legco dare inquire Henry into his illegal basement,the biggest scandal of HK private sector housing construction,
very serious consequences can emerge.
Why the Chief Secretary who must uphold the rule of law violated the Building Ordinance
under his watch ? any A.P. RSE to submitte plans for approval ? No of course as the basement plan can never be approved !
Who built it ? When it was built ? Was the Buildings Department under pressure to expediate the o.p. inspection and issuance ?
Did the B.D. surveyor in fact knew existence of the illegal basement but forced to issue the O.P.? Under influence by a powerful official ?
Legco P&P is able to do so and whether the truth can be revealed to the public vested on
'the Buildings Department (will B.D. produce something before 25-3-2012?) on my queries ?
The HKSARG can be accused of unequal treatment to CE contenders,where is equality ?

Subject: Fw: P&P inquiry into C.Y.Leung's conflict of interest,MY QUERY on equal treatment.
To substantiate my complaint as per email attached,here is a self-explanatory news report on
one of the member Hon.Lee Wing-tat who distinctly ask for release of all documents.
Without going through all the documents for the truth,allegation of conflict of interest is premature.
Is this in fact a fair and just trial ?
I don't know any of the persons I mentioned in my emails and no conflict of interest in this issue
but out of HK vaules of equality,rule of law and justice to lodge this complaint.

行政長官候選人梁振英被指在西九比賽中漏報利益，政府公開部份文件。民主黨李永達說，梁振英拒絕無條件公開自己的申報利益表、給評審委員會秘書解釋漏報的信件，及評審委員會四日會議紀錄和委員投票紀錄。李永達認為梁振英有隱瞞之嫌，民主黨決定向內委會，提出運用權力及特權條例，要求公開所有文件，包括馬來西亞建築師楊經文、本地兩間則師樓及測量師行的參賽文件，以了解為何文件上寫梁振英公司為物業顧問。

李永達說，梁振英反對公開三份文件，讓人覺得表裡不一，又認為梁振英涉嫌利益衝突，表面證據成立，指對方解釋極之牽強，公司高級職員無同他講過，曾經把資料交給參賽公司，並不可信。

民政事務局常任秘書長楊立門否認，有報道指，02年西九規劃設計比賽Norman Foster冠軍作品曾被取消資格。

他出席一個公開活動時表示，翻查資料，Norman Foster作品並無被當年的技術評審委員會或評審團取消資格。

All these documents must be released as Legco is conducting a P&P inquiry into allegation of C.Y. Leung' conflict of interest.

Apart from neutrality of those legislators who backed the other two CE contenders,how can these 12 legislators find out the truth without full release of all the documents ?

Is it equal treament to the CE contenders by HKSARG's revelation of C.Y.Leung's conflict of interest but what happen to Henry Tang's illegal basement probe ?

A 10 years old story and why it must be conducted before 25-3-2012 by Legco ?

Will Legco acquire all the documents and the government release them before conducting the inquiry ?
