Wording of the Motion

That this Panel opposes the Government's move of changing the educational use of the site of the former campus of the Hong Kong Institute of Vocational Education (Lee Wai Lee) and including the site in the land sale programme for the construction of medium density luxury residential units, and urges the Government to retain the site of the former campus of the Hong Kong Institute of Vocational Education (Lee Wai Lee) for "Government, Institution or Community" ("GIC") use, including the originally designated educational use.
