- (b) Sections 2 and 3 provide for the basic structure of an alternative bond scheme, which comprises a bond arrangement and an investment arrangement.

**2. Alternative bond scheme, bond arrangement and investment arrangement**

- (1) If a scheme comprises 2 arrangements (*arrangement A* and *arrangement B*), and the scheme and the arrangements meet the description in subsections (2), (3) and (4), then—
  - (a) the scheme is an *alternative bond scheme*;
  - (b) arrangement A is the *bond arrangement* in the scheme; and
  - (c) arrangement B is the *investment arrangement* in the scheme.
- (2) The scheme (and arrangement A and arrangement B in it)—
  - (a) commences on the date on which alternative bonds are issued under arrangement A, as referred to in subsection (3)(d); and
  - (b) ends on the date on which the alternative bonds are to be fully redeemed or cancelled under the terms of arrangement A,  
  
(the period that so commences and ends is referred to as the *specified term*).
- (3) Under arrangement A—
  - (a) one or more persons (each is referred to as an *initial bond-holder*) pay a sum of money (*bond proceeds*) to another person (*bond-issuer*);

---

<sup>4</sup> In line with the market practice, we would like to make it clear our intent for the “bond-issuer” in an alternative bond scheme to be a “special purpose vehicle” (see section 2(3)(b) of Schedule 17A).

Inland Revenue and Stamp Duty Legislation (Alternative Bond Schemes)

- (d) the bond-issuer issues instruments (*alternative bonds*) to the initial bond-holders evidencing their rights and interests in or in relation to the specified asset referred to in subsection (4)(a);
- (e) if the alternative bonds are transferable from 1 person to another, transferees of any such alternative bonds become holders of the alternative bonds (*subsequent bond-holders*) because of the transfers (any initial bond-holder or subsequent bond-holder is referred to as a *bond-holder*); and
- (f) the bond-issuer undertakes—
  - (i) to make a payment (*redemption payment*), whether or not by instalments, to the bond-holders during or at the end of the specified term to redeem the alternative bonds;
  - (ii) to make other payments (*additional payments*) to the bond-holders on one or more occasions during, or at the end of, the specified term; and

  - (b) the bond-issuer arranges for the management of the specified asset with a view to generating income or gains during the specified term (the income or gains are referred to as the *investment return*); and
  - (c) the bond-issuer is to dispose of the specified asset by the end of the specified term (the consideration received by the bond-issuer for the disposal of the specified asset is referred to as the *proceeds of disposal*).

**3. Construction of references in section 2(3)(b) and (4)(b) of this Schedule**
