(Attn.: Ms Annette LAM)

Dear Ms LAM,

**Legislative Council Public Works Sub-committee
Meeting on 17 December 2012
Supplementary Information about
“Universal Accessibility” Programme**

At the captioned meeting, Members requested the Administration to provide information concerning the locations of retrofitting lifts suggested by the public under the “Universal Accessibility” programme.

Under the new “Universal Accessibility” policy, the 253¹ locations of existing public walkways suggested by the public for installation of lifts received by the Administration are in the Annex. Some of the proposed locations may overlap with those under the original programme (i.e. the barrier-free access facility retrofitting works requested by the Equal Opportunities Commission) or other works projects (e.g. Highways Department Structure No. HF84 – Across King's Road near North Point Road). This is because when the public was consulted, some members of the public also suggested retrofitting lifts at public walkways included in the original programme or other works projects.

¹ The figure announced earlier was 254, which includes a temporary footbridge (i.e. Highways Department Structure Number 34 (Temporary Bridge) “Across Tuen Mun Road near near Lui Cheung Kwong Lutheran College”) that has been demolished recently. Therefore the latest figure is 253.

Upon obtaining funding approval from the Finance Committee, we will immediately start consulting the relevant District Councils to determine the priorities of the projects in the concerned districts.

Yours sincerely,

(Miss Carrie LEE)

for Secretary for Transport and Housing

c.c.

Director of Highways
Secretary for Financial Services and
the Treasury

Locations of Existing Public Walkways for Retrofitting Lifts requested by the Public received by the Administration under the “Universal Accessibility” Programme

註：這名單中某些建議地點或會與原有計劃(即因應平等機會委員會要求而加裝無障礙通道設施的工程)或其他較早前進行的加建工程項目的地點重疊。這是由於在諮詢公眾期間，部分市民就原有或其他的工程計劃所涵蓋的行人通道上，亦提出了加裝升降機的建議。
