Legislative Council

Dear Madam Chairman,

The Development of the Qianhai Bay Economic Zone

Over the past few years, the Central Government has been making plans for what is officially known as the Qianhai Shenzhen-Hong Kong Modern Service Industry Cooperation Zone to develop into a new financial and commercial hub. According to the plans, the zone is to have a unique legal regime, with Hong Kong playing a key role in its development.

The plans for how Hong Kong will assist in the legal development of the zone have obvious implications for the legal profession and the provision of legal services. I am thus writing to urge you to include in the list of outstanding items for discussion by the Panel the role of the Hong Kong legal profession in the development of the Qianhai Bay Economic Zone.

Yours faithfully, -

Dennis Kwok

Deputy Chairman of the AJLS Panel
