Dear Danny,

Renewal of Licences for 1.9-2.2 GHz Spectrum (“3G Licence Renewals”)

We refer to our letter dated 25 April 2013 to which we have not received OFCA's reply.

We would be grateful to receive a substantive reply as soon as possible given the importance of the matters raised and the commencement of the work of your consultants, Network Strategies Limited, on the Study¹ as is apparent from OFCA's letter dated 6 May 2013.

In the meantime, all our respective rights in relation to the consultation are reserved.

Yours sincerely,

cc Miss Eliza LEE, Director-General of Communications
Miss Susie HO, Permanent Secretary for Commerce and Economic Development
(Communications and Technology)
Ms YUE Tin-po, Chief Council Secretary, Legislative Council Panel on Information
Technology and Broadcasting (for distribution to the Panel members)

¹ Consultancy study in relation to the impacts on service quality and customers of adopting a hybrid between administratively-assigned and market-based approach in re-assigning the spectrum in the 1.9-2.2 GHz band.
