

Panel on Information Technology and Broadcasting

List of follow-up actions

(position as at 21 May 2013)

Subject	Date of meeting	Follow-up action required	Administration's response
1. Proposal to inject additional funding into the CreateSmart Initiative	11.3.2013	The Administration was requested to revert to the Panel on whether relevant information on successful applicants with factories operating in Hong Kong was available under the Design-Business Collaboration Scheme, and if so, to provide such information accordingly.	The Administration's written response was circulated to members vide LC Paper No. CB(4)675/12-13(01) on 21 May 2013.
2. Arrangements for the frequency spectrum in the 1.9-2.2 GHz band upon expiry of the existing frequency assignments for 3G mobile services	27.3.2013	The Administration was requested to: (a) conduct a detailed technical assessment on the impact on the quality of service provided by incumbent 3G mobile operators if the proposed Option 3 (a hybrid between administratively-assigned and market-based approach – right of first refusal to the incumbent 3G operators for them to retain part of the spectrum, while part of the spectrum would be returned to the Communications Authority for re-auction) was adopted, in particular on the reduction in users' data download speed as referred to in paragraph 31 of the Second Consultation Paper;	The Administration to take note and follow up.

Subject	Date of meeting	Follow-up action required	Administration's response
		(b) provide a copy of the report of such assessment; and (c) provide a copy of the tendering documents for selecting an independent consultant for conducting the assessment and preparing such report.
