took the opportunity to introduce other amendments to improve the disciplinary proceedings.

The Subcommittee submitted its report to the House Committee on 15 June 2012. It considered that there was insufficient time to examine the proposed amendments under the negative vetting procedure. According to the Administration, it would not bring L.N. 58 to L.N. 63 into commencement and would refine the amendment regulations/rules in consultation with the management and staff sides and taking into account the views of the Subcommittee. The Subcommittee requested the Administration to consult the Panel early on the draft version of the amendment regulations/rules; and suggested that the Panel consider setting up a subcommittee to study the draft amendment regulations/rules.
