Dear Ms NG,

**Legislative Council Panel on Transport Meeting on 16 November 2012  
Supplementary Information about  
Bus-bus Interchanges on Tuen Mun Road**

At the captioned meeting, a Member requested the Administration to provide information on the number of buses with low-floor platform which would be using the bus-bus interchange facilities on Tuen Mun Road. Please find our reply below.

In the first phase of operation of the Tuen Mun Road Bus-bus interchange, there will be 12 bus routes observing the Interchange. The total number of buses deployed on these 12 routes is 216 and about 40% of these buses are low-floor ones. Such percentage will increase gradually, as all new buses purchased as additional or replacement vehicles by the franchised bus companies will be low-floor buses.

Yours sincerely,
