At the meeting on 8 February 2010, the Administration briefed the Panel on its position on the recommendations made by LRC in the Report on Guardianship of Children, the Report on International Parental Child Abduction, as well as the Report on Child Custody and Access. The Administration has since then completed the legislative amendments for implementing the recommendations in the Report on Guardianship of Children and is working on the amendments to the relevant legislation for implementing the recommendations of the Report on International Parental Child Abduction.

First quarter of 2013

As for the Report on Custody and Access ("the Report") released on 7 March 2005, the Administration advised that it is studying the recommendations carefully. The Administration launched a four-month public consultation on 28 December 2011 on whether the "joint parental responsibility model" should be implemented in Hong Kong by legislative means. The Panel was briefed on the consultation paper at its meeting on 9 January 2012. A special meeting was held on 25 February 2012 to receive views from deputations on the consultation paper. According to the Administration, it would map out, in the light of comments received, whether and how to take forward the relevant recommendations of the Report.

The Administration will brief members, in the first quarter of 2013, on the results of the public consultation on Child Custody and Access:

Whether to Implement the "Joint Parental Responsibility Model" by Legislative Means, and on the way forward.

2. Infirmity care in non-hospital setting

The Administration consulted the Panel in December 2004 on a proposal to launch a trial scheme to provide infirmity care places for medically stable elders in a non-hospital setting. Various options are being explored, including upgrading some of the places in subvented residential care homes for the elderly to provide infirmity care. The Administration will report the progress in due course.

3. Retirement protection

The Panel and its Subcommittee on Retirement Protection had studied the subject of universal retirement protection in the last legislative term. The Subcommittee submitted its report (LC Paper No. CB(2)1942/11-12) to the Panel on 14 May 2012 and made a number of recommendations for the Administration's consideration. The Subcommittee also recommended that the Panel should follow up with the Administration on the matter in the next legislative term.

14 January 2013

The Panel Chairman has proposed to discuss whether the Panel should form a Subcommittee on Retirement Protection, given that the Subcommittee on Poverty, which monitors and follows up the work of, inter alia, the Commission on Poverty's Task Force on Social Security and Retirement Protection, will examine the subject matter.

Hon Alice MAK and Hon TANG Ka-piu have jointly suggested that the Panel form a Subcommittee on Retirement Protection.

The suggestion will be discussed at the Panel meeting on 14 January 2013.

The existing framework for the monitoring of charitable fund-raising activities was discussed at the meeting on 11 June 2007. Members agreed to further discuss the matter in the next session, especially the monitoring of the use of income generated from public charitable fund-raising activities.

To be decided

Following the release of the Consultation Paper on Charities by the Charities Sub-committee of LRC, the Panel held a special meeting on 24 August 2011 to receive public views on the subject. The LRC Charities Sub-committee has proceeded to work on concrete proposals for enhancing the monitoring measures for charitable fund-raising activities in light of the views collected from the public consultation which ended in October 2011.

5. Review of the system for processing applications for Disability Allowance ("DA") under the Social Security Allowance ("SSA") Scheme

Item proposed by Hon WONG Kwok-hing and Hon WONG Kwok-kin in the last legislative term. Members were concerned about the eligibility criteria for DA, the system for processing DA applications and the appeal mechanism.

Late February 2013

According to Hon WONG Kwok-hing, the Administration has completed the captioned review but the review report has not yet been released. He hopes that this item could be discussed by the Panel as soon as possible, so as to push for the Administration's release of the review results as soon as possible.

At the meeting of the Panel on Constitutional Affairs ("CA Panel") on 16 October 2012, Hon Paul TSE Wai-chun called for a review of the eligibility criteria for DA which in his view had

led to a situation that some disabled persons suffering certain kinds of disabilities (e.g. total loss of sight) were covered by DA, while others suffering different kinds of disabilities (e.g. loss of leg) were not fully covered.

The Panel met the Administration and deputations on the review of the system for processing applications for DA under the SSA Scheme at its regular meeting on 10 December 2012.

The Panel aims to hold a special meeting in late February 2013 to discuss with the Administration its response to the views and concerns expressed by members and deputations at the meeting on 10 December 2012 and the progress of the work of the inter-departmental Review Group set up by the Administration to study DA.

To be decided

In anticipation of the appeal proceedings, members agreed to revisit the need to discuss the matter in due course.

Pursuant to the Court of Appeal's ruling made in February 2012, the one-year-continuous-residence requirement was removed from the CSSA Scheme. Meanwhile, the Court of First Instance dismissed two cases of judicial review of the OAA one-year-continuous-residence requirement on 14 May and 17 September 2012 respectively, and ruled that the requirement was constitutional.
