教育事務委員會
Panel on Education

在2013年12月9日會議上
就議程項目"支援學校採用電子教科書以利便教與學
及提升網上學校行政及管理系統"通過的議案
Motion passed under the agenda item "Supporting schools to adopt e-textbook to facilitate learning and teaching and upgrading of the Web-based School Administration and Management System"
at the meeting on 9 December 2013

議案措辭

教育局於1998年推出第一個資訊科技教育策略,至今已整整15年,可是仍然未能向全港所有學校提供資訊科技基礎建設,一直缺乏電子學習的「全面計劃」。就此,本會促請政府:

(一)　於緊接的3年內在全港所有學校落實資助,改善每所學校資訊科技基礎設施和教師能力;

(二)　當局必須於是次計劃,公開甄選準則,及先給予弱勢或「資源嚴重不足」的學校發放津貼;及

(三)　當局應在津貼推行全校 wifi 無線上網服務費用、網絡硬件或流動電腦裝置外,增加編制「資訊科技統籌員」及「技術支援服務人員」。

(莫乃光議員動議)

<u>Wording of the Motion</u>

(Translation)

That it has been 15 years since the Education Bureau ("EDB") launched the first Information Technology ("IT") in Education Strategy in 1998; however, EDB is still unable to provide IT infrastructure to all schools over the territory, and a "comprehensive plan" on electronic learning has always been lacking; in this connection, this Panel urges the Government to:

(1)   effect the provision of subsidies to all schools over the territory in the next three years to improve the IT infrastructure of every school and enhance teachers' capability;

(2)   make public the selection criteria under this scheme and accord priority to schools which are disadvantaged or "seriously lacking in resources" in the disbursement of subsidies; and

(3)   increase the staff establishment by creating the posts of "IT Coordinator" and "Technical Support Services Officer" in addition to providing subsidies to schools for the provision of Wi-Fi access to the Internet within their entire campuses and for the procurement of network hardware or mobile computer devices.
