(Amendment) Bill 2014**

**List of follow-up actions arising from the discussion
at the meeting on 9 June 2015**

The Administration was requested to consider reviewing the drafting of the existing section 92(2)(b) of the Copyright Ordinance (Cap. 528), by substituting the phrase "or is otherwise prejudicial" with "or otherwise is prejudicial", to the effect that "prejudicial" was a central element applicable to the acts done to the work which amounted to derogatory treatment.
