LC Paper No. CB(3) 26/13-14

Ref : CB(3)/M/MM

Tel : 3919 3300

Date : 3 October 2013

From : Clerk to the Legislative Council

To : All Members of the Legislative Council

Council meeting of 9 October 2013

**Amendment to motion on
“Formulating long-term infrastructure planning
to promote sustainable development”**

Further to LC Paper No. CB(3) 8/13-14 issued on 25 September 2013, Hon Charles Peter MOK has given notice to move an amendment to Ir Dr Hon LO Wai-kwok’s motion on “Formulating long-term infrastructure planning to promote sustainable development” scheduled for the Council meeting of 9 October 2013. As directed by the President, Hon Charles Peter MOK’s amendment will be printed in the terms in which it was handed in on the Agenda of the Council.

2. For Members’ reference, the terms of the original motion and of the motion, if amended, are set out in the **Appendix**.

(Odelia LEUNG)
for Clerk to the Legislative Council

**Motion debate on
“Formulating long-term infrastructure planning
to promote sustainable development”
to be held at the Council meeting of 9 October 2013**

1. Ir Dr Hon LO Wai-kwok’s original motion

That, given the changes in the global economic environment as well as the development needs and social aspirations in Hong Kong, this Council urges the SAR Government to expeditiously formulate long-term infrastructure planning, properly conduct public consultation, correspondingly allocate resources, and ensure the timely provision of adequate land and various supporting infrastructure facilities, so as to enhance the functions of Hong Kong as a regional economic hub, boost the economy and promote employment, bring forth a quality environment and green living, promote sustainable development, and create more opportunities of upward mobility for the new generation.

2. Motion as amended by Hon Charles Peter MOK

That, ~~given~~ *with the development of information technology*, the changes in the global economic environment as well as the development needs *of the knowledge-based economy* and social aspirations *to improve people’s living through comprehensive planning and application of technology* in Hong Kong, this Council urges the SAR Government to expeditiously formulate long-term infrastructure planning, properly conduct public consultation, correspondingly allocate resources, ~~and~~ ensure the timely provision of adequate land and various supporting infrastructure facilities, *and launch ‘Digital New Town Development’ to introduce innovative technologies and build a technology infrastructure which supports wireless cloud computing technology, and promote the development of areas such as intelligent security, intelligent transport systems and wireless network coverage, etc., in infrastructure planning for urban redevelopment and new town development, such as new public housing, government buildings and road infrastructure, etc., and later extend these new technology infrastructure facilities to the whole territory*, so as to enhance the functions of Hong Kong as a regional economic hub, boost the economy and promote employment, and bring forth a quality environment and green living, ~~promote sustainable development~~; *this Council also urges the SAR Government to promote local industries, including the sustainable development of the information technology*

industry, adopt the achievements of local applied technological research and development on a priority basis, and create more opportunities of upward mobility for the new generation.

Note: Hon Charles Peter MOK's amendment is marked in *bold and italic type* or with deletion line.
