**Motion on  
“Setting up a commission on children”  
to be moved by Dr Hon Fernando CHEUNG  
at the Council meeting of 20 November 2013**

**Wording of the Motion**

That at its meeting of 6 June 2007, the Legislative Council passed a Members' motion urging the Government to set up a commission on children to fulfill the obligations under the United Nations Convention on the Rights of the Child, safeguard the well-being of children, and ensure that children's perspectives were fully taken into account in the process of formulating policies; subsequently, the Government only established the Family Council in response to the demands, but the Family Council does not focus on children's rights and well-being as its major areas of work; in this connection, this Council urges the Government to expeditiously set up a commission on children, so as to ensure that children's well-being and perspectives are fully taken into account in the process of formulating policies.
