Dear Mr LAU,

**Finance Committee
Follow-up to meetings on 10 January 2014**

I refer to your letter dated 15 January 2014 regarding the item FCR(2013-14)50 on supporting some 100 public sector and direct subsidy schools to enhance their IT infrastructure. The information as requested by Members is as follows –

“In assessing applications from schools, we will reserve a quota of around 20 for schools of which the infrastructure is not the most advanced and the social economic status of students is relatively low, but the other conditions for e-learning are equally strong as compared with other schools.”

Yours sincerely,

(Ms Jenny CHAN)
for Secretary for Education
