**Finance Committee**

**Follow-up to meetings on 11 and 12 July 2014**

When the agenda item FCR(2014-15)11 on "Computer Equipment and Services for the 2016 Population By-census" was discussed at the Finance Committee meetings on 11 and 12 July 2014, members requested the Administration to provide information on the past collaborations between the Planning Department and the Census and Statistics Department in estimating the number of indigenous villages eligible to apply for building small houses. The Administration's reply is attached for members' reference.

Dear Derek

### Finance Committee

#### Follow-up to meetings on 11 and 12 July 2014

With reference to your letter to the Secretary for Financial Services and the Treasury dated 20 August 2014 regarding the said subject, I submit below our bilingual reply to the question concerning the item FCR(2014-15)11 – Computer Equipment and Services for the 2016 Population By-census.

#### Reply

The Census and Statistics Department is not involved in the estimation of the number of indigenous villagers eligible to apply for building small houses. The department does not have the relevant data for estimating nor projecting such number.

政府統計處沒有參與估算合資格申請興建小型屋宇的原居民數字。該處沒有估算或推算上述數字所需的資料。
