Dear Mr LO,

**Public Works Subcommittee  
Follow-up to meeting on 22 January 2014**

**Community Hall at Sau Ming Road, Kwun Tong  
Supplementary Information**

At the captioned meeting, Members requested information on the planning for provision of space for additional social service facilities, if required, in Sau Mau Ping Estate and Po Tat Estate to cater for the needs of the aging population. Our reply is set out below.

At present, there are three social service facilities occupying a total internal floor area of about 2,600 m<sup>2</sup> in Sau Mau Ping Estate and Po Tat Estate providing services for the senior citizens. They are:

- i) Yuen Yuen Nursing Home;
- ii) Sik Sik Yuen Ho Wing Neighbourhood Centre for Senior Citizens; and
- iii) Tung Wah Group of Hospitals Fong Shiu Yee Neighbourhood Elderly Centre.

All other spaces for welfare facilities have been fully occupied, and there are currently no further premises available for additional welfare service facilities in the above estates.

Yours sincerely,

(WONG Hung Keung, Kenneth)
