Re: Country Parks (Designation) (Consolidation) (Amendment) Order 2013 ("the Amendment Order")

In consideration of the high geological, ecological and aesthetic value of Tai Long Sai Wan, Kam Shan and Yuen Tun, we highly appreciate and fully support the order of replacing the original approved maps in respect of the Sai Kung East Country Park ("SKECP"), the Kam Shan Country Park ("KSCP"). This is considered to be the best approach in protecting the natural environment and landscape values of the area within the enclaves, but also help to safeguard the integrity of the surrounding country park systems. The interests of the Hong Kong public and the experience of overseas visitors to enjoy the natural beauties of Hong Kong will be enhanced.

Best regards
