Subject: Country park enclaves

Dear Sir,

I am writing to show my support for the inclusion of enclaves in Tai long Sai wan, Kam Shan and yuen tun into their respective country parks. Arguments not to do so serve only the interests of a minority of the Hong Kong people who's concerns are purely self motivated and profit oriented. Appropriate nature and out-door oriented developments may be suitable in some enclaves, facilities that serve the public rather than developments that serve only the interests if a hand full of profiteers.

Regards
