Miss Polly Yeung  
Clerk to Panel on Education  
Legislative Council  
Legislative Council Complex  
1 Legislative Council Road  
Central, Hong Kong

Dear Miss Yeung,

**Panel on Education  
Follow-up to the Meeting on 9 December 2013**

At the meeting of the Panel on Education on 9 December 2013 to discuss the item “Supporting schools to adopt e-textbook to facilitate learning and teaching and upgrading of the Web-based School Administration and Management System”, Members requested the Administration to provide the list of schools selected to participate in the “Support Scheme on e-Learning in Schools” (Support Scheme) as well as the selection criteria once the information was available.

The selection process on applications for the Support Scheme is now completed. Amongst 174 school applications, a total of 100 schools have been selected to participate in the Support Scheme, including 53 primary schools, 42 secondary schools and 5 special schools. A list of the selected schools is attached at Annex.

Applications were selected based on their three-year e-learning development plan submitted, including details and schedule for adoption of e-textbook, curriculum planning, engagement of parents and/or other stakeholders, IT infrastructure enhancement plan and plan for professional development of teachers in e-learning. The applicants' track record on IT in education and existing IT infrastructure were also considered. The 100 selected schools include 20 schools of which the infrastructure is not the most advanced and the social economic status of students is relatively low, but the other conditions for e-learning are equally strong as compared with other schools.

Yours sincerely,

(Ms Jenny Chan)  
for Secretary for Education
