To: Chairman, Deputy chairman and All members of Panel on Home Affairs,

Recently I noted that there is a noise about the new arrangement of booking leisure facility of LCSD on the internet.

We, all HK people, are totally disagree this so-call "new arrangement" as the leisure facility is for the Hong Kong people only and the facilities were build for and by the Hong Kong people.

I wonder if the LCSD has made any brief to the Panel and explained the rational of this "change". If not, I wish the Panel can make an investigation or deeply concern about this "new arrangement" as we, all Hong Kong people, treasure our facility very much.

Thank you very much.  
Bon
