Clerk to Panel on Information Technology and Broadcasting
Legislative Council Complex,
1 Legislative Council Road,
Central, Hong Kong
(Attn: Ms YUE Tin-po)

Dear Ms Yue,

**Panel on Information Technology and Broadcasting
Annual Report on Cyberport
Information Requested by the Panel on 10 March 2014**

At Panel meeting on 10 March 2014, Members requested information on the survival rate of incubatees after their graduation for more than three years and their current business size.

The first batch of Cyberport incubatees graduated in January 2008. According to a survey conducted by Hong Kong Cyberport Management Company Limited (HKCMCL) in January 2014, 22 (55%) of the 40 graduates from 2008 to 2010 survived for more than three years. Half of them are still in business now but HKCMCL does not have information about their current business size.

Please let me know if you require further information.

Yours sincerely,
