LegCo Panel on Commerce and Industry visits Hong Kong Science Park (with photos)

At the invitation of the Innovation and Technology Commission, members of the Panel on Commerce and Industry today (December 12) visited the Hong Kong Science Park.

During the site visit, members received a briefing on the latest development of the Hong Kong Science Park, including the progress of the Phase 3 development, by the representatives of the Hong Kong Science and Technology Parks Corporation and exchanged views on issues of mutual concern. After being briefed on the latest technological achievements by the representatives of Hong Kong R&D Centre for Logistics and Supply Chain Management Enabling Technologies and Hong Kong Research Institute of Textiles and Apparel, Members visited Green 18 in Phase 2 and a newly completed building in Phase 3 to better understand the green features of the buildings, the thermal storage device and the Basement water tank, etc.

Members participated in the visit included Hon Vincent FANG Kang, Chairman of the Panel; Dr Hon CHIANG Lai-wan, Deputy Chairman of the Panel; Hon Emily LAU Wai-hing; Hon Charles Peter MOK and Ir Dr Hon LO Wai-kiwok as well as Hon WONG Kwok-hing who is a non-Panel member.

Ends/Thursday, December 12, 2013
