LegCo Members observe the works progress of retrofitting automatic platform gates on MTR East Rail Line (with photos)

The Legislative Council ("LegCo") Subcommittee on Matters Relating to Railways conducted a site visit to MTR Shatin Freight Yard and Racecourse Station today (10 January) to better understand the works progress of retrofitting automatic platform gates at East Rail Line stations.

LegCo Members first observed the mock-up of platform strengthening works in the Shatin Freight Yard and received a briefing on the works progress of retrofitting automatic platform gates at East Rail Line stations by Mr LEE Tsz-man, General Manager of MTR Corporation. Members then toured the Racecourse Station to get to know more about the platform modification works.

Subcommittee members participating in the site visit included Hon Michael TIEN Puk-sun, Chairman of the Subcommittee, Hon WONG Kwok-hing and Dr Hon Elizabeth QUAT.

Ends/Friday, 10 January, 2014
