Dear President Tsang,

In light of the measures taken by the Hong Kong Police Force in dealing with students protesters and citizens around the Government Offices and the LegCo Building today, I hereby request you to exercise your power under Article 72(4) of the Basic Law to call special sessions of the Council during the recess.

May I also request you to exercise your discretion to dispense with the notice requirement under the Rules of Procedure and call the special session at the earliest opportunity. An early meeting would help resolve the crisis before us and minimize the damage to our society.

Yours sincerely,

Wong Yuk Man
