Dear Mr Chan,

**Examining the Estimates of Expenditure for the Financial Year 2015-16
Question Serial No. R114**

I refer to your enquiry on the "0-1-1" proposal raised by the Financial Secretary and set out our reply in the ensuing paragraph.

The "0-1-1" envelope savings programme launched by the Government requires all policy bureaux to achieve more efficient use of resources through re-engineering and re-prioritising of work, as well as reducing operating expenditure by a total of two per cent over the next three financial years. Resources saved will be re-allocated for new services. We are considering feasible and effective measures to support the implementation of the programme in the financial year 2016-17.

Yours sincerely,

(Andrew HY Wong)
