The Honourable CHAN Chi-chuen
Room 1003, Legislative Council Complex,
1 Legislative Council Road,
Central, Hong Kong

Dear Hon. CHAN,

**Written Question Raised During Examination of 2015-16 Draft Estimates
No. R073**

During the examination of the 2015-16 Draft Estimates of Expenditure by the Legislative Council, you raised a Written Question (No. R073) to the Labour and Welfare Bureau (LWB) on the "0-1-1" envelope savings programme launched by the Government. I hereby furnish the following reply.

The Government has launched the "0-1-1" envelope savings programme which aims to achieve more efficient use of resources through re-engineering and re-prioritising, and also reduce operating expenditure by a total of two per cent over the three financial years from 2015-16 onwards. Resources saved will be re-allocated for providing new services. The LWB and the departments under its purview are now considering effective and

practicable measures to dovetail with the implementation of the programme.

Yours sincerely,

(Miss Cora CHENG)
