Dear The Hon Chan,

**Examining the Estimates of Expenditure for the Financial Year 2015-16
Question Serial No. R078**

I refer to your enquiry on the "0-1-1" proposal raised by the Financial Secretary and set out our reply below.

The "0-1-1" envelope savings programme launched by the Government requires all policy bureaux to achieve more efficient use of resources through re-engineering and re-prioritising of work, as well as reducing operating expenditure by a total of 2% over the next three financial years. Resources saved will be re-allocated for new services. The Commerce, Industry and Tourism Branch of the Commerce and Economic Development Bureau is considering feasible and effective measures to support the implementation of the programme in the financial year 2016-17.

Yours sincerely,
