

**Legislative Council
Finance Committee**

**Follow-up Action Arising from the Meeting on 14 November 2014 –
Response from the Administration**

The Administration to provide information on – The local residents and / or local resident organisations that the Administration had met since 23 August 2013 to listen to their views on the proposed Integrated Waste Management Facilities Phase 1 in Shek Kwu Chau

Since 23 August 2013, the Administration has met local residents and/or local resident organisations on 13 notable occasions, such as meetings and site visits attended or arranged by officials of the Environment Bureau and Environmental Protection Department to listen to their views on the proposed Integrated Waste Management Facilities Phase 1. For Members' further information, in view of the relevant discussion at the FC meeting held on 14 November, there have been 46 such occasions during the same period to listen to the views of local residents or their representatives on the proposed Northeast New Territories Landfill Extension and West New Territories Landfill Extension - consultants' fees and investigation.
