**Motion on
“Seeking the invalidation of the decision of the Standing Committee
of the National People’s Congress and
reactivating the constitutional reform process”
to be moved by Hon Cyd HO
at the Council meeting of 28 January 2015**

Wording of the Motion

That, as some members of the public are of the view that the decision made by the Standing Committee of the National People’s Congress (‘NPCSC’) on 31 August last year on Hong Kong’s constitutional development (‘the 31 August Decision’) throttles the room for implementing genuine universal suffrage and allows the nominating committee to screen persons seeking nomination as Chief Executive candidates in accordance with the will of Beijing, thereby rendering the election unable to precisely reflect people’s genuine preference and reducing all voters in Hong Kong to voting tools, this Council will definitely veto the constitutional reform package constrained by the 31 August Decision of NPCSC; in this connection, this Council urges the Chief Executive to request the Central Government to seek the invalidation of the aforesaid decision of NPCSC by the National People’s Congress, and to reactivate the statutory process for constitutional reform, with a view to expeditiously implementing the selection of the Chief Executive and the election of all Legislative Council Members by universal suffrage.
