Dear Mr CHAN

**Imported Game, Meat and Poultry
(Amendment) Regulation 2015 (L.N. 106 of 2015)**

Thank you for your letter dated 10 June 2015.

In paragraph 3 of your letter, is the information listed in the new regulation 4(2A) of the Imported Game, Meat and Poultry Regulations (Cap. 132AK) which applies to import of eggs the same as that required to be provided to obtain an import licence under the Import and Export Ordinance (Cap. 60) for import of meat and poultry? If yes, please explain why import of eggs are not subject to Cap. 60 instead?

It is noted that "country of origin" under Cap. 132AK is amended to "place of origin". Please give examples of the places which may fall under the "place of origin".

The word "eggs" is added to regulation 5(2) of Cap. 132AK. In such circumstance, should "is" be replaced with "are" in regulation 5(2)(b)?

To enable the House Committee to decide how to proceed with the Regulation at the meeting on 12 June 2015, I would appreciate if you could let me have the said information (in both Chinese and English with soft copy to Ms Charlie HO at cwsho@legco.gov.hk) by 11 am on 11 June 2015.

Yours sincerely,
