**17. Promoting wider application of intellectual property rights through tax reduction**

The Inland Revenue (Amendment) (No. 2) Bill 2011 ("the Bill") was passed by the Legislative Council on 7 December 2011. The main object of the Bill was to extend the scope of specified intellectual property rights ("IPRs") of profit tax deduction to cover capital expenditure for purchase of three types of IPRs, namely registered trade marks, copyrights and registered designs.

To be confirmed

Taking into consideration that the objective of the proposed tax deduction was to promote the wider application of IPRs, the Bills Committee had requested the Administration to relay to the Financial Secretary for future consideration outside the context of the Bill the suggestion of extending the proposed tax deduction scheme to more types of IPRs. At the request of the Bills Committee, the issue had been referred to the Panel for consideration to follow up. Panel members agreed that the issue should be discussed at a future Panel meeting.
