I refer to the request of the Panel Chairman at the Panel meeting on 20 January 2015 concerning the amount of funding approved by the Innovation and Technology Fund (ITF) since its establishment in November 1999. As we undertook at the meeting, I attach at Annex a graph showing cumulative amount of funding approved by the ITF from 1999/2000 to end-November 2014.

I should be grateful if you would relay our response to Panel Members for their reference.

Yours sincerely,
