Dear Miss Yeung,

Panel on Education
Follow-up to the Meeting on 11 May 2015

Arising from the discussion on the item “Progress of Implementing the Support Scheme on e-Learning in Schools and the e-Textbook Market Development Scheme” at the meeting of the Panel on Education on 11 May 2015, a Member requested the Administration to provide the list of service providers chosen by the schools under the Support Scheme on e-Learning in Schools (Support Scheme) for subscription of WiFi services.

Amongst the 100 schools under the Support Scheme, 92 schools have chosen to subscribe for WiFi services while the remaining 8 schools have opted to enhance their WiFi infrastructure by themselves. For the 92 schools adopting the subscription mode for WiFi services, the procurement exercises were conducted by individual schools following prescribed procurement procedures. According to the information gathered from schools, the 92 WiFi services contracts were awarded to 8 contractors set out in alphabetical order as follows –

- P2 Mobile Technologies Ltd.
