Dear Ms Mak,

Progress Update on the Work of Safeguarding and Promoting
Intangible Cultural Heritage (ICH)**

We refer to the discussion of the LegCo HA Panel Meeting on 11 May 2015 on the “Progress Update on the Work of Safeguarding and Promoting Intangible Cultural Heritage”. Members noted that at the end of 2014, the Leisure and Cultural Services Department launched a preliminary online ICH database via the Multimedia Information System of Hong Kong Public Libraries to provide brief descriptions and photos of the 480 inventory items for public access.

To follow up on Members’ request, supplementary information on the utilization of the website’s preliminary online ICH database is provided for Members’ reference. During the period from December 2014 to August 2015, the online database recorded a total of 25, 347 hit rate.

Yours sincerely,

(Ms Cissy Ho)

for Director of Leisure and Cultural Services
